

Call for prospective writers

Contributed by Administrator

Thanks everyone for your nice comments. Please send thought/comments so we can add more important information related to micorarrays customized to your needs. Anyone interested to publish tutorials articles and information related to microarray technology please send us a letter of interest and we will get back to you at the soonest. email: t_paparountas@bioinformatics.gr

Again thanks for joining this endeavor. We would like to wish you a warm welcome.
